

SATURN Smart Livestock Water System: On-Farm Trial Agreement

Date: ____ / ____ / 2026

Supplier: Wisepac Australia Pty Ltd (ABN 15 601 536 181)

Trial user (name): _____

Farm / business name: _____

Property address: _____

Phone: _____ Email: _____

Referred by: Clean Trough (Unicon Group Pty Ltd) Contact:

1. Product

Wisepac supplies one complete SATURN Smart Livestock Water System for the trial.

2. Trial period

Ninety (90) days from the date the unit is installed and confirmed working.

Start date: ____ / ____ / 2026 End date: ____ / ____ / 2026

3. Installation

Installation is carried out by: ☐ Wisepac ☐ Trial user ☐ Plumber arranged by _____

Cost of fittings and connection is paid by: ☐ Wisepac ☐ Trial user

Supply pressure at the trough measured at installation: _____ kPa

4. Water supply and animal welfare

1. The trial user keeps an existing water supply available for the stock using this trough (for example a second trough or a connection that can be restored quickly) for the whole trial.
2. The trial user continues normal daily stock and water checks.
3. The trial user tells Wisepac about any fault within 24 hours. Wisepac will attend or arrange repair or replacement within ____ business days.

5. Insurance and liability

Wisepac holds public and product liability insurance.

Insurer: _____ Policy number: _____

Nothing in this agreement excludes or limits any rights either party has under the Australian Consumer Law.

6. Records during the trial

The trial user agrees to record once a week (Wisepac will provide a simple record sheet):

- how many times the trough was cleaned by hand, and minutes spent
- any faults or blockages
- a photo of the trough
- any change in how stock are drinking

7. How we will judge the trial (agreed before start)

1. No more than one fault during the trial
2. Hand-cleaning time saved of at least 30 minutes per week compared with the trough it replaced
3. Water use no more than 10% higher than before (by meter, or estimated from pump hours)
4. Water stays clean enough that stock drink normally

8. End of the trial

- If the trial user wishes to keep the unit, it may be purchased at ____ % off the recommended retail price of \$_____ (GST inclusive).
- Otherwise Wisepac collects the unit at no cost to the trial user. The trial user tells Wisepac what did not work so the product can be improved.

9. Ownership and care

The unit remains the property of Wisepac during the trial. The trial user takes reasonable care of it.

10. Use of feedback, photos and video

The trial user agrees that Wisepac may use (tick all that apply):

- ☐ trial results without the farm's name
- ☐ trial results with the farm's name
- ☐ photos and video of the unit on the farm
- ☐ a short quote from the trial user

11. Privacy

Wisepac will use the trial user's contact details and records only for this trial and for following up about the product.
